

Remarks

This is in response to the Notice of Non-Compliant Amendment mailed August 10, 2009. The Notice of Non-Compliant Amendment indicated that the Amendment and Response filed June 5, 2009 is non-compliant because claim 8 is missing words “wherein” and “are detected and resolved at a change unit level” from the previous version of claim 8, even though these words should be stricken through in the amended claim. In the above Amendments to the Claims, the missing words have been added to claim 8 and stricken through. Amendments shown in the above Amendments to the Claims are relative to the claims represented in the Amendment and Response filed October 1, 2008.

Favorable reconsideration in the form of a Notice of Allowance is respectfully requested. Please contact the undersigned attorney with any questions regarding this application. Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account 13-2725.

Respectfully submitted,
